**PETITIONER'S STATUS REPORT  
ON STATE COURT PROCEEDINGS**

NOW COMES Petitioner Leonard Logan, by and through his counsel, and presents the following further status report on the state court proceedings in this case:

1. On June 27, 2018, Respondent filed a status report with this Court (Docket No. 112) reflecting that oral arguments on the State's motion to dismiss Mr. Logan's petition were set for July 12, 2018, in state court, but that arguments would likely be rescheduled. Mr. Logan provides further updates as set forth below.

2. The State has filed a partial motion to dismiss Mr. Logan's petition for post-conviction relief. The State has conceded Mr. Logan is entitled to an evidentiary hearing on his actual innocence claim, but has moved to dismiss the remainder of his claims. The State's motion has been fully briefed.

3. Today, the undersigned counsel, who also represents Mr. Logan in state court, and counsel for the State conferred with Judge Obbich and tentatively reset arguments for July 26, 2018. Counsel for petitioner anticipates arguments will be complete on that date.

4. At this time, counsel for Petitioner has no anticipated date for ruling on that motion, or for the conclusion of the state court proceedings.

Respectfully Submitted,

/s/ Tara Thompson
